# Curriculum Vitae – Geronimo Arce

Password: 3030

## Professional Profile

Industrial Engineer graduated from the National University of Mar del Plata, Process Industry Technician, and Food Technical Assistant. I have experience in technical support, data analysis, teaching, and industrial production. I am interested in applying my knowledge in challenging environments focused on continuous improvement, operational excellence, and new technologies. Seeking professional development opportunities in Mar del Plata where I can contribute analytical thinking, process optimization, and results-driven performance.

## Education

**National University of Mar del Plata**

Industrial Engineering – Graduate (2026).

**Municipal Secondary School of Technical Education No. 1 (ESMET Nº1)**

Technician in Process Industry
Technical Assistant in the Food Industry
High School Diploma in Goods and Services (2004)

## Work Experience

**Regional Coordination Assistant – EDEA – Feb 2024 to Present**

Data analysis
Scheduling of operational tasks
Network design for new projects

Reference: Nadia Woldozko Tel: 223 581-3872

**IT Support Technician – School Colinas de Peralta Ramos – Aug 2019 to Dec 2023**

Provided hardware and software technical support
Troubleshooting and maintenance
Reference: Claudia Schneide Tel: 223 580-4902

**Computer Science Teacher – School Colinas de Peralta Ramos – Jan 2016 to Jan 2024**

Computer training for students
Reference: Claudia Schneide Tel: 223 580-4902

**Computer Science Teacher – School La Sagrada Familia – Jan 2016 to Jan 2024**

Taught computing and IT basics
Reference: Gustavo Di Benedetto Tel: 223 530-9393

**IT Support Technician– Faculty of Engineering, UNMdP – Mar 2015 to Mar 2018**

Technical support and system troubleshooting
Reference: Martín Cornado Tel: 223 504-7780

## Internships & Professional Practice

**SPI Shipyards (Comprehensive Port Services) – Aug 2011 to Oct 2011**

Construction monitoring and control
KPI creation and selection
Data collection and performance measurement

**Faculty of Engineering – UNMdP**

Research on sliced and minimally processed products

**Port Delegation – Fisheries Department**

Hygienic-sanitary inspection and research

**Ardapez S.A.**

Quality control assistance

## Skills

**Artificial Intelligence**: Generative AI applied to analysis, technical writing, and process improvement; Automation of tasks using artificial intelligence (n8n); Analysis and synthesis of information with AI; Prompt engineering.

**Programming & Markup Languages**: Python, C++, Java, Pascal, Visual Basic, HTML

Software Tools: SQL Databases, Microsoft Project, AutoCAD, SAP, MATLAB, Power BI, SolidWorks

**Languages**: Spanish (Native), English (Intermediate)

## Certifications & Licenses

Driver's License: Motorcycles (up to 150cc) and  cars (up to 3,500kg)

INTI Training Path – Stage 1 ("I know how to code")

Arduino: "CTC Go!" – Creative Technologies in the Classroom

Cisco Networking Academy – Networking Basics

University of Chubut – Web Services
